April News Letter 2024

Happy 11th Anniversary A+ Preparatory!

This year, my heart is full of gratitude. I thank God for protecting us and adding another year to A+ Preparatory Academy. I also want to thank my families for the great role you have consistently played in my life. If it wasn't for you, I couldn't stand as tall as I am. Everyday with you feels like a celebration. Thanks for 11 wonderful years!
